**Favourite food experience?** A special after-dinner interlude in the backyard at Ben Shewry's Attica. **Tipple of choice?** Arak, a Lebanese aniseed spirit that goes so well with a Middle Eastern meal. **I'm also loving** Stomping Ground Pale Ale. **Enduring influences?** My Lebanese heritage. Sharing another side to the Middle Eastern story plays a big part in the work I do. **Favourite restaurant?** I crave Ziyka Indian in Carlton. The food is just so damn tasty! **Recent projects?** I've just opened Bar Saracen in Punch Lane with my business partner Ari Vlassopoulos. [barsaracen.com.au](http://barsaracen.com.au)
